

Women's Leadership Network

Advance City Year's service in Boston and build relationships with local women leaders

Join the Women's Leadership Network Today!

The WLN is a new giving society and opportunity to engage with City Year Boston and your peers throughout the year. All women who make a gift of \$1,000 or more through the Women's Leadership Breakfast are invited to join the Network and participate as their schedules allow.

We will also invite the women champions on our City Year Boston Board and Seven Generations Board to become involved in this new community.

Opportunities for Engagement:

Service Projects

Opportunities to serve alongside one another and make a direct impact on the Boston community

- Red Jacket Weekend (September)
- MLK Jr. Service Day (January 18th, Daytime)
- Sips & Service (January 25th, Evening) – This networking event doubles as a wine tasting, sponsored by The Urban Grape, and as a service project to support our schools
- Spring into Service (March 23, Daytime)

Events

Become involved in the larger City Year community and get to know our other champions

- Join other stakeholders at our Champions Reception to celebrate YOU! (September)
- WLN Networking Events – meet & greets, panels & speaker events, and wine tastings with WLN sponsor, The Urban Grape!
- Attend Women of Color Leadership Panel (May 17th, Evening)
- Attend City Year Boston's Annual Gala, Starry Starry Night, and be seated at a table with other women in the Network (May 24th, Evening)

Other Opportunities

- Serve as a mentor to a City Year AmeriCorps member from October-June
- Volunteer to facilitate career-driven conversations with our AmeriCorps members at 18-Minute Networking (February 14th, Daytime)
- Show your appreciation for the corps during AmeriCorps Member Appreciation Month (March)

For more information please contact Julianna Morrall Quinlan, Director of Individual Giving, at jmorrall@cityyear.org or (617) 927-2330.
